VU QUANG HUY

Front-end Developer Intern

About me

My name is Huy, a 4th year student at Posts and Telecommunications Institute of Technology , major in Information Technology (PTIT).

I always want to learn more from experience and use my creativity to create good products. And I want to be a Web developer.

Thanks!

Skills

> **Front-End**
HTML/CSS (Good)
JAVASCRIPT (Average)

> **Framework**
BOOTSTAP (Good)
JQUERY (Average)

> **UI DESIGN**
Adobe XD (Good)
Adobe Illustrator (Average)
Adobe Photoshop (Avegare)

Education

Posts and Telecommunications Institute of Technology.

The school has taught me all in-depth knowledge about all areas especially information technology so that I can use them.
With the school's knowledge along with the ability to self-learn and learn by myself, I am confident to go to work. My desire before graduation is to practice in order to have more knowledge and experience.
